## About Me

My name is Tohirjonov Muhammadzafar — a passionate web developer with 6 months of experience in frontend development. I have a strong foundation in HTML, CSS, and JavaScript, and hands-on experience with frameworks and libraries like React, Vue, Tailwind CSS, and Chakra UI. I enjoy building responsive, user-friendly web applications and constantly strive to improve my skills. I'm a fast learner, a good team player, and I always take initiative to solve problems and deliver quality results. I'm currently seeking new opportunities to apply my knowledge in real-world projects and grow professionally.
